

Disc Golf Course

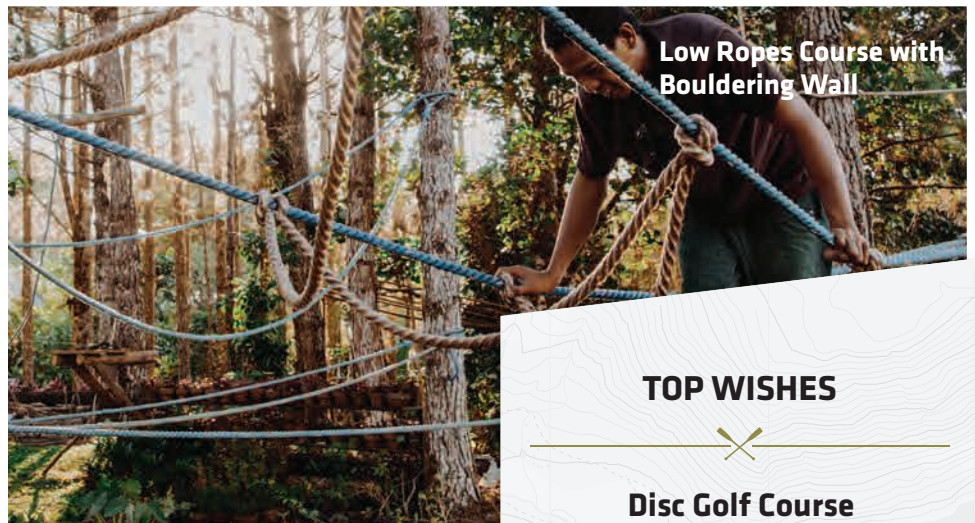

# THE Wish List

**“If you had the funds, what project would you tackle?”**

Our answer is what we call THE WISH LIST. It’s filled with great things that could happen if support is received, but likely won’t happen within our tightly managed operating budget as our key focus is always maintaining operations.

These “extra” items are designed to enhance camper, staff, and volunteer experiences.

Chat with us for more details. Let us know if there is a project that captures your heart!

Low Ropes Course with Bouldering Wall

Full or partial donations gladly accepted. Donations can be made by cheque, e-transfer or online.

Give us a call if you have any questions.

Thank you for partnering with us and supporting Young Life’s ministry at RockRidge Canyon!

## TOP WISHES

**Disc Golf Course**  
**RVs/Housing**  
**Directional Signage**  
**Hot Tub**

# THE RockRidge Canyon Wish List

## RVs for Staff Housing – Loan or Donation

**URGENT** – Do you have a 5th Wheel or RV to loan for the summer or donate for year round? The need is immediate but we can't build more homes on the property. With your help staff will have a place to live on site.

## Disc Golf Course

\$15,000

We have the space allocated. Now it's time to rejuvenate this popular sport by replacing current tubes with actual disc golf baskets, purchase a collection of proper weighted discs, install tee boxes and print maps.

## Low Ropes Course/Bouldering Wall

\$20,000

A six element custom, non-belayed low ropes course would engage guests of all ages to step into a low risk adventure. Especially great for elementary school groups, special needs, Family Retreats and folks who want a challenge without the heights!

## Directional Signage

\$20,000

We have three kiosks we would love to install for improved directional signage around camp, as well as our entrance sign is in need of replacing.

## The Loft Furniture

\$10,000

Well used and getting worn and tired, it's time to re-home the old and bring in the new.

## Washer & Dryer

\$30,000

An additional commercial washer and dryer is needed for the Pinnacle Building to handle the large volume of laundry and quick turn-arounds in the summer and rental season.

## Auto Iron & Folding Machine

\$52,000

An automated iron and folding machine in Wolfe Creek Lodge will enable much faster turn-over and requires less staff.

## Rodent Proof Garbage Bins

\$15,000 (\$1,000 each)

Metal garbage bins would keep out rodents and wasps, reduce ongoing maintenance and waste of garbage bags due to weather.

## The Hot tub dream – Wolfe Creek Hot Tub

\$15,000

Imagine yourself here as the snow flies or watching the sun set over Canoe Cove! This has been a true "wish list" item, probably since Wolfe Creek Lodge was built. Amazing for Pastoral and Young Life staff retreats.

Donate it and be the first to relax in it's soothing water!
