

WEEKEND FOR WOMEN

— MAY 24-26, 2024 —

Workshops to learn and grow ● Music and entertainment ● Adventures and nature

Come experience the breathtaking expanse of Rockridge Canyon and the warmth of a fun weekend together.

Set this weekend aside to treat yourself to a lakeside getaway, with crisp fresh air, comfy accommodations and wonderful food. Come join our ROOTED weekend and choose workshops that speak to your heart and help you learn and thrive. Enjoy learning about developing flourishing relationships, parenting through the weeds, and how to grow strong roots in our lives. Whether you have any faith or no faith, you are welcome here! We hope you will find the roots of faith at our Weekend for Women.

There are lots of activities to experience! You can take a dip in the pool, conquer the ropes course, Tower of Terror or the lake-crossing zip line. Dare to go waterskiing, wakeboarding or in a spinner. Or go at a slower pace, in a canoe, kayak, or paddle boarding. A highlight of our weekend is our evening Young Life Club, bursting with laughter, music, and opportunities to grow in God's love with our fun and engaging speaker, Mariah McCleary.

Food, fun and accommodation included, from \$275
