

Some heroes wear green or black.

Volunteers are key to camp operating and being affordable for campers. From September through June, RockRidge Canyon hosts rental and Young Life groups. It's a great way to maximize use of this fantastic property, share it with other groups and help offset costs for youth coming to YL camp in the summer. That's where volunteers come in. While we have onsite staff and interns running day-to-day activities, volunteers help everything run smoother. We really appreciate your help!

What's it like?

Generally volunteers come for a few days midweek, on a weekend or even stay a week. Yes, there is actual work to be done but it's fun and generally not strenuous. You'll have time to enjoy the property and stay in comfy accommodations. Remember, we want you to come back! Volunteering is also a great way to invest in the lives of others, grow friendships and encourage RockRidge Canyon staff.

PROGRAM

One of the reasons RockRidge Canyon can offer groups excellent service and reasonable rates is the creative way in which staffing is provided through Adult Volunteers and Work Crew. Your assistance is really appreciated!

Serve with Purpose at RockRidge Canyon

RockRidge Canyon's excellent hospitality depends on dedicated Adult Volunteers and Work Crew. By giving your time, you help deliver exceptional service to visiting groups and support the mission of Young Life of Canada.

About the Role

Volunteers often assist with meal service, kitchen prep, housekeeping, and cleanup—working alongside our property staff and interns. In return, we provide meals, coffee breaks, accommodations, time to enjoy the beauty of the property, and of course, our warm appreciation!

Youth Groups Welcome!

Bring your youth team for a weekend of service and community! Volunteering together offers a “free” mini retreat experience—serve during mealtimes, then use downtime for devotions, games, and group bonding in a stunning setting.

Schedule & Orientation

You'll work about 8 hours a day, with shifts around mealtimes. Orientation is provided before the group's first meal (4:30 pm dinner or 7:30 am breakfast).

What to Wear

We provide shirts during meal service and follow BC Food Safe standards including closed-toe shoes, long pants, no jewelry, and tie back long hair.
